A. Curriculum Vitae**Personal data**

Married, one child

Date of birth: 22.12.1978

Nationality: German

Education / Training

Degree	Institution and Location	Year(s)	Field of Study
Diploma	University of Hamburg	2005	Chemistry
Dr. Rer. Nat	University of Hamburg	2008	Medicinal Chemistry

Positions and Honors**Employment / Experience**

Year(s)	Position, Institution, Location
2008 – 2010	Postdoctoral fellow with Karl Gademann, EPF Lausanne, CH
2010 – 2011	Postdoctoral fellow with Karl Gademann, University of Basel, CH
2011 – 2015	Oberassistent with Jay S. Siegel, University of Zürich, CH
2015	SNSF Assistant Professor, University of Zürich, CH
2015 – present	Full professor, Chair of Bioorganic Chemistry, Albert-Ludwigs-University Freiburg, D
2018 – 2020	Director, Institute of Organic Chemistry

Awards, Memberships and Scholarships

Year(s)	
2008	Best Doctoral Thesis in Chemistry, University of Hamburg
2009	DFG postdoctoral fellowship
2010	Klaus-Grohe Award of the GDCh in Medicinal Chemistry
2011	Liebig Fellowship of the FCI
2012	Ambizione Fellowship of the Swiss National Science Foundation (SNSF)
2013	JSP Stipend
2015	SNSF Professorship
2015	Ruzicka Prize and Medal of the ETH Zürich
2016	HFSP Program Grant (with P. Wender and R. Bhandari)
2017	VW Experiment! with A. Mayer
2019	Principal Investigator, DFG Cluster of Excellence, CIBSS, Area Coordinator
2019	Principal Investigator, DFG Cluster of Excellence, LivMatS
2019	Freiburg Institute for Advanced Studies, Senior Fellow
2019	FIT Freiburg Center for Interactive Materials and Bioinspired Technologies, Member
2019	ERC Consolidator Grant
