Curriculum Vitae

Personal data

Marital status: Married, one child

Date of birth: 22.12.1978

Nationality: German

Positions and Honors

Employment / Experience

<i>Year(s)</i>	<i>Position, Institution, Location</i>
2018 –	Director, Institute of Organic Chemistry
2015 – present	Full professor, Chair of Bioorganic Chemistry, Albert-Ludwigs-University Freiburg, D
2015	SNSF Assistant Professor, University of Zürich, CH
2011 – 2015	Oberassistent with Jay S. Siegel, University of Zürich, CH
2010 – 2011	Postdoctoral fellow with Karl Gademann, University of Basel, CH
2008 – 2010	Postdoctoral fellow with Karl Gademann, EPF Lausanne, CH

Awards, Memberships and Scholarships

<i>Year</i>	
2019	FIT Freiburg Center for Interactive Materials and Bioinspired Technologies, Member
2019	Freiburg Institute for Advanced Studies, Senior Fellow
2019	Principal Investigator, DFG Cluster of Excellence, LivMatS
2019	Principal Investigator, DFG Cluster of Excellence, CIBSS, Area Coordinator
2017	VW Experiment! with A. Mayer
2016	HFSP Program Grant (with P. Wender and R. Bhandari)
2015	Ruzicka Prize and Medal of the ETH Zürich
2015	SNSF Professorship
2013	JSP Stipend
2012	Ambizione Fellowship of the Swiss National Science Foundation (SNSF)
2011	Liebig Fellowship of the FCI
2010	Klaus-Grohe Award of the GDCh in Medicinal Chemistry
2009	DFG postdoctoral fellowship
2008	Best Doctoral Thesis in Chemistry, University of Hamburg

Education / Training

<i>Year</i>	<i>Degree</i>	<i>Field of Study</i>	<i>Institution and Location</i>
2008	Dr. Rer. Nat.	Medicinal Chemistry	University of Hamburg
2005	Diploma	Chemistry	University of Hamburg
